**Natalie,**

It was a pleasure to talk to you this afternoon. I have included the dissertation committee form that I will need your signature on to proceed with my research. Can you sign your name under Julie's? As we had talked on the phone, Julie and I are meeting on Thursday, March 1 at 2:00 p.m. in Mankato. I am wondering if it would work for your schedule for us to connect with you by teleconference. Please let me know your availability. If it works that you are in Mankato that day, that would work also.

You had asked about my survey instrument that I plan on using. I have been researching Kouzes and Posner's (2014) Leadership Practices Inventory. I can share more about this if you would like when we touch base.

Please let me know if you have any questions. Again, thank you so much for assisting as a backup to my work if my research does not align with Julie's schedule.

Take Care,

**Becky Gerdes**
