Comments Report

4. Please comment on the following items...

4.1) What are the major strengths and weaknesses of the instructor?

- Dr. Rasmussen is very knowledgeable. She is open and willing to help and meet when necessary. She makes students feel wanted and is nonjudgmental.
- She ensures voices are heard and will let people sit in discomfort.
- She is responsive to student and classroom needs, gives relevant examples and instruction
- She is very thorough. She makes you feel heard and like no question is a dumb question. You can tell she is passionate about the program and work she does. She has high standards and passes those along to her students. I truly enjoy learning from her.
- Very knowledgeable, equity-minded, organized, and understanding.

4.2) What aspects of this course were most beneficial to you?

- All of it. It was very helpful in my pursuit of a principal license.
- Having Dr. Rasmussen as a resource and completing internship hours.
- Her willingness to make sure we understand what we are getting ourselves into and to make sure we are qualified and ready to be Administrators in our buildings helping the next generations.
- The content and having a space to check in
- Working on portfolio.

4.3) What would you suggest to improve this course?

- I would encourage the practice sessions for the last two meet-ups, or as assignments on the side between sessions. Some of us wanted to do this, but others not, Practice does not hurt.
- Maybe an earlier hours check-in for accountability.
- NA
- Portfolio review with instructor.
- We don't need to meet more, but we could have open time when class would have met to ask questions and share.

4.4) Comment on the grading procedures and exams.

- Everything was good.
- I feel She grades very fair and equitable. I did not understand how I could be graded down for the "Site" as it was work in progress not a finished product, my presentation was good, I guess I would either clarify what exactly you would like completed by this time or not have peers grade it.
- Totally fair.
- Works perfectly fine.
